

## Enrichments

### Roadmap to Employability/ Apprenticeship enrichment for Year 13

Led by a member of the Careers Team this Enrichment works through a series of workshops to help students seeking apprenticeships and employment options.

The series of 6 one-hour workshops will allow students to:

- To understand their employment needs.
- To explore career and apprenticeship options.
- To submit quality applications.
- To complete job applications/ apprenticeship applications.
- To produce a CV and covering letter.
- To understand selection processes and identify their strengths.
- To prepare for interviews and assessment centres.
- To be work/ apprenticeship ready.

### Work Experience enrichment for Year 12

Led by a member of the Careers Team this Enrichment will work through a series of workshops to help students seeking work experience.

The series of 4 one-hour workshops will allow students to:

- To understand more about work experience and the value of work experience.
- To learn more about the various ways to look for work experience.
- To understand how to write a CV and cover letter/ improve CV and cover letter.
- To have connected with one company (minimum) regarding doing work experience with them.
