

Your Future

A paid programme for Year 13 students interested in apprenticeship opportunities post-education.

Includes paid employability skills training, business experience and job application support.

Supporting young people to secure employment post-education

Who is the programme for?

Your Future targets Year 13 students who **do not wish to transition into further education** (i.e. university) and **do not currently have a progression route or opportunity lined up after school/college.**

The programme includes 5 days of employability skills training, a 3 day business experience placement, a 1 day recruitment boot camp, and up to 6 months of additional support to help you find, apply for and secure a job role.

The programme will be face to face and taking place at University of Warwick.

When is it?

30th June to 10th July 2025
